

DCACPS

PHILOSOPHY OF CARE

To provide a valued and caring service that meets the needs of the community.

This is achieved through a supportive team effort.

We achieve this goal by:

- * Providing a service that recognizes the needs of the clients.
- * Keeping families informed on the care needs of the client
- * Providing a variety of activities that meet the needs of the client
- * Working together as a team and sharing the workload
- * Respect the privacy/dignity/confidentiality of each care recipient which is a part of our privacy policy
- * Liaising with other services in the area to ensure that we provide the best care for the client.
